

Dream Girl of Theta Chi ([Download](#))

I dream of the girl with the stars in her eyes,
And the gold of the sun in her hair
The smile in her glance tells of tender romance
And a love that I'm longing to share.

I'll build her a palace, a mansion or two,
Or a castle way up in the sky,
But a cottage for two I'm sure will do
For the dream girl of Theta Chi

The loveliest girls are the girls of my dreams
And the loveliest one that I've seen
Is not Sally, Louise, or Irene,
Or a girl smiling down from a screen;

The girls of all ages on magazine page
Don't cause me the slightest unrest,
For I've found the one girl, the stars, moon, and sun girl,
The girl I will always love best.

I dream of the girl with the stars in her eyes,
And the gold of the sun in her hair
The smile in her glance tells of tender romance
And a love that I'm longing to share.

I'll build her a palace, a mansion or two,
Or a castle way up in the sky,
But a cottage for two I'm sure will do
For the dream girl of Theta Chi
